CONFERENCE SCOPE

Topics of the conference include broadly defined technical safety and security of production processes in a variety of industries, including the safety and health of workers and safety of property.

The languages of the conferences will be Polish and English.

Complete papers, after a preliminary acceptance of the Scientific Committee, will be recommended for publication in the following journals:

Polish Journal of Natural Sciences

Securitologia

The monography will be also prepared.

Authors are free to choose the form of publishing.

Application for participation, along with short abstract prepared in accordance with the example presented at the conference webpage, should be sent to the secretariat: konf.bezp@uwm.edu.pl.
